

DIOMYX PENGY Refillable Aerosol

**FEATURED
PRODUCT**

PROFESSIONAL VEHICLE CLEANING SOLUTIONS

DIOMYX PENGY Refillable Aerosol

How to Refill DIOMYX PENGY

1. Remove the
PENGY trigger head

2. Pour the relevant
liquid into the
PENGY Bottle.

**IMPORTANT: DO NOT
OVERFILL!** Only fill
to the first line on the
bottle shoulder.

3. Replace the
PENGY trigger head.

The PENGY Refillable Aerosol saves
time and money...

Its unique FINE MIST SPRAY enables
you to evenly apply cleaning
solutions to a wider area using less
product...

Its UNIQUE PUMP ACTION works just
like an aerosol but can be REFILLED
for endless use all without emitting
environmentally harmful CFC
gases...

PENGY is now available with three of
the best selling DIOMYX Superior
Pro Valeting Range to offer a more
efficient way of cleaning;

PENGY is part of the DIOMYX
Superior Range of Professional
Cleaning & Sanitising solutions.

Available exclusively from
www.diomyx.com

PROFESSIONAL VEHICLE CLEANING SOLUTIONS
